

## **LAW CLERK INFORMATION**

### Prospective law clerks

Judge Robinson hires two law clerks per year for one-year terms. Only law students in their third year of law school will be considered. The Judge will begin interviewing candidates for the 2004-2005 term in October 2003. Due to the high volume of patent law cases in the District of Delaware, at least one law clerk with an interest in patent law and a technical background is preferred. All law clerks are expected to take a bar exam in any state prior to beginning their clerkship.

Academic credentials, loyalty, and a good sense of humor are all equally important criteria the Judge considers in her hiring decisions. Candidates called back for interviews can expect to meet the Judge's current law clerks and chambers staff, tour the chambers, and then interview with Judge Robinson. This process typically lasts about an hour.

Interested 3L candidates may submit a cover letter, resume, transcripts, writing sample, and two references to the following address:
